Welcome to the Vermont All-Star Football Camps

It's hard to believe that we're entering our 28th year of hosting Vermont All-Star Football Camps! We look forward to many more years of providing instruction, college opportunities and great fun to our fellow Vermonters and great neighbors in Western Massachusetts, New Hampshire and upstate New York. "Vermont, Western MA & Southwestern NH football players – and their parents! – should thank Vermont All-Star Football Camps for their efforts every chance they get. Not only has the camp helped raise the quality of play in the region, it has also created a great college recruiting pipeline that is getting stronger every year!"

-Peter Vaas, Former QB Coach, Notre Dame University: 2005-2006. Former Head Football Coach, Cologne Centurions (Germany) NFL-Europe League Champions: 2001, 2002 (as Head Coach of Berlin Thunder). Coach Vaas has been a regular participant in VASSC over the years, primarily as Director of one or two QB / Receivers Clinics per year.
